Dear Parental Units and Students,

Welcome to Parent Teacher Conferences! Below is a list of your child’s teachers and subject classes with corresponding room numbers. Please sign in for the teacher whom you wish to see.

To allow for equity of time, please consider spending approximately 5 minutes with each teacher. Of course, depending on our parental attendance and parental concerns, more or less time will be needed. If you find that you need more time or were unable to see the teachers you needed to see, please feel free to schedule an appointment at a later time. BSEA will begin Parent Teacher Meetings by appointment on Tuesdays on November 18th and November 24th.

Thank you for your time and patience. We appreciate all of your support. We hope your conferences are meaningful and helpful.

Sincerely,

Angela DeFilippis  
Principal
